A **comprehensive [menu](#) of Great Wok of China** from Oceanside covering all **20** meals and drinks can be found here on the menu. Great Wok, located in Oceanside, offers a mix of reviews from its patrons. One customer complained about the salty house special dish, but appreciated the effort made by the staff to remedy the situation. Another felt that the pricing was confusing due to language barriers but enjoyed the crispy beef and efficient service. On the other hand, a loyal customer praised the fast service and good food quality, suggesting that expanding the lobby would improve the overall experience. In contrast, a first-time visitor was pleasantly surprised by the large portion sizes and fresh food, vowing to return despite a minor hiccup with chewy beef. Overall, Great Wok seems to have won over customers with its diverse menu, attentive staff, and generous portions, making it a worthy alternative to popular chains like Panda Express.
