Here you can find the [menu](#) of No Thai in Ann Arbor. At the moment, there are **17** meals and drinks on the card.

No Thai is a popular spot for Thai food, with some mixed experiences by customers. Some have found issues with the portion sizes not being enough for the price, while others have had quality control problems like plastic in their food. However, many still enjoy the tasty food and quick service, despite some fusion with Chinese dishes. Overall, No Thai seems to be a decent choice for a quick meal with good flavors, but with room for improvement in consistency and portion sizes.
