A **comprehensive [menu](#) of China Buffet** from Leavenworth covering all **15** dishes and drinks can be found here on the card. China Buffet presents a mixed bag of dining experiences, offering a wide variety of options, but with notable inconsistencies in food quality and service. While some patrons raved about the delicious dishes and attentive service, others reported bland, cold, and poorly maintained buffet items. Complaints included low-quality ingredients, lukewarm temperatures, and dishes that appeared to have been left too long without replenishment. The ambiance is clean yet dated, and while many appreciated the diverse choices, others felt that the overall experience fell short of expectations. Diners are advised to consider their options carefully before visiting.
