[William Boehm](#) doesn't like about Hwy 55 Burgers Shakes & Fries:

2 stars to give was generous today and I gave this because the young lady waiting for me was exceptionally beautiful for my order. they were out of the feet, so I decided for the Cheeseburger meal. they were very cold. I also ordered an salad with baked chicken. a lilsalate and a boiled egg were in a bowl. no chicken, speck or dressing as described in the menu. the half of the order with the fries and the intervertebral rings were the cold and the intervertebral rings burned. everything except the cheeseburger was unusable.
