If you're craving some zesty South American cuisine, you've come to the right place: delicious meals, prepared with *fish, seafood, and meat*, though corn, beans, and potatoes are also in the menu, and you can enjoy here tasty American menus like **Burger or Barbecue**. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, and you can look forward to the fine classic seafood cuisine.
