The place from [Spring](#) offers 17 different dishes and drinks on the menu at an average price of \$10.4. What [Monica Maftai](#) likes about Akaihi Japanese:  
Stopped in for a date night with my wife and enjoyed a nice dinner. We chose to sit in the regular dining area and not have the hibachi show. We ordered the crab puff absolutely delicious! Definitely will get that again. It was crunchy with a great crab cream cheese center. My wife had the hibachi chicken with friend rice and I had the hibachi shrimp with fried rice. All of it was great and the portions were generous... [read more](#). What [Russell Williams](#) doesn't like about Akaihi Japanese:  
Great value for a sushi restaurant. We loved the sashimi served on ice. The size of the cuts of fish were very generous. We walked away feeling like we received more than what we paid for. If you crave for **desserts**, Akaihi Japanese with its *magical desserts* can surely make an end of it, and a lot of fresh vegetables, fish and meat are used to prepare healthy Japanese meals. Undoubtedly, the highlight of this restaurant is the delicious **Sushi such as Maki and Sashimi**, Furthermore, the guests love the successful combination of different meals with new and partially experimental products - a good example of successful Asian Fusion.
