Beautiful location recently renovated. Air con is super cold. Everyone who first came in without a jacket went back to their car to get a jacket. The foods were compatible with most other sites. This location is probably not as busy as makiki or mkcully since their way from more of the residential areas. Meat combination has a lot of meat. Waffle beautiful and crispy as the bacon was. Full service. [read more](#). What [User](#) doesn't like about Zippy's s:
