On this homepage, you can find the [complete menu](#) of North End from Kansas City. Currently, there are 17 courses and drinks up for grabs. For **seasonal or weekly deals**, please contact the owner of the restaurant directly. You can also contact them through their website. What [User](#) likes about North End: Great food, fantastic service and price. I'm sorry they can't serve alcohol. Some problems with noise and the city, but the food and service make for it. Great Daily Specials. Family environment. Fantastic. We will be back insured [read more](#). What [User](#) doesn't like about North End: Your typical bar food, nothing special. Had the chicken meal. The green beans are mush (From a can, you know the one you got in school). No taste to the gravy on the mash potatoes and the biscuit was a disappointment (hard and no flavor) and the chicken was good, but not with the price. The staff is just ok, only stopped by two to see if we needed anything. Typical atmosphere of a hole in the wall bar. Pasta was good... [read more](#). For those who want to **have a drink after work** and hang out with friends, North End from Kansas City is a good bar, and you can enjoy here scrumptious American meals like Burger or Barbecue. It goes without saying that a suitable drink completes a meal; therefore this *gastropub* presents a diverse variety of delicious and regional alcoholic options, be it beer or wine, There are also tasty South American meals in the menu.
