This is a place to get a really good burger with a spirit on natural, environmentally sound production. It's hip, food is good, and people are good too. That's more expensive than McDonald's because you get a better meal for the money. [read more](#). What [Gilda Towne](#) doesn't like about Burgerfi:

Downloaded the app and ordered. It was easy to pick up. I am vegan and happy that this option exists, but the food was just average. If you download the app before you go, you can get a free fry. You can't put the free fry in via the app, just tell them when you get there. Food was okay, just average. The bun was cold and the patty definitely could've been warmer. Overall decent just nothing to celebrate. As I was le... [read more](#). If you're craving some [spicy South American cuisine](#), you've come to the right place: tasty dishes, roasted with fish, [seafood](#), and meat, though corn, beans, and potatoes are also in the menu, and you can try tasty American dishes like Burger or Barbecue. If you'd like something dessert to finish off, Burgerfi does not disappoint with its large selection of desserts, Also, the visitors of the establishment love the extensive selection of differing **coffee and tea specialities** that the restaurant has to offer.
