Less than an hour ago, I tried Romeo's Italian deep-court pizza for the first time. It was so delicious, juicy and moist I could hardly stop it. The ingredients were fresh and high quality. The crust and tomato sauce makes this pizza great. The only way to get a better pizza is in Chicago or New York. I will definitely spread the word how good the [pizza](#) is at Romeos. Ordered pizza and cinnamon sticks both were disappointing! Pizza was gross barely warm when arrived and cinnamon sticks were cold and stale will not get anything from here again what a waste of money [read more](#). At Romeo's [Pizza](#) in Simpsonville, *crispy pizza* is baked oven-fresh using a time-honored method, and you can expect typical **Italian cuisine** with classics like pizza and pasta.
