We went there for my Birthday lunch. We had cheese burgers and a house salad. The salad was so good. When the burger and fries came we had just finished the salad. The burger was so juicy and full of flavor! We sent compliments to the chef. I like that put salt and pepper on the fries. Thier tarter sauce was so good. The staff that waited on us was super friendly. She was right on us for anything we needed. They gave... [read more](#). What [King Green](#) doesn't like about Applebee's Grill And Okeechobee:

Today I went to lunch at Applebees with my wife, but the bowls we ordered did not please us. My chicken wasn't very good, but I ate it because I was very hungry. As for the bowl that my wife asked for, it was impossible to eat, since it was too spicy, I couldn't even taste the food, as my mouth was on fire with so much pepper. Therefore, we removed only the chickens that were sweet from the bowl and left the rest of... [read more](#). You can at Applebee's Grill And Okeechobee from Okeechobee savor delicious vegetarian meals, in which no animal meat or fish was brought into play, Naturally, you should also taste the **tasty burgers**, accompanied by sides like fries, salads, or wedges provided. One also grills South American here with fresh fish, meat, as well as corn and rice, Here, the barbecued food is freshly **grilled** on an open flame.
