In this gastropub, you not only get delicious meals from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, There are also scrumptious *South American* dishes in the menu. Even if you're only not so much hungry, you can still treat yourself to one of the scrumptious sandwiches, a small salad or another snack, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
