A **complete menu** of **Le Pho** from Berkeley covering all 17 menus and drinks can be found here on the menu. Le Pho offers a mix of experiences, with some patrons praising the cozy atmosphere and standout dishes like pho ga, while others point to consistently disappointing service and food quality. Complaints about rude staff, subpar spring rolls, and inflated prices mar the appeal. Although the restaurant showcases vibrant vegetarian options and flavorful broths, the inconsistency is troubling, with many dishes falling flat in comparison to competitors. While some dishes earn accolades for their freshness and taste, the overall sentiment reflects a sense of decline and disillusionment, leaving diners to seek better fare elsewhere in the vibrant Bay Area pho scene.
