What [User](#) likes about Casa De Nena:

Fantastic food, I had the rice, bean. And cheese Burrito. The tortillas taste fresh and amazing, the rice is perfect, the beans are fantastic. Very recommend to give it a shot! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and be served. What [Berneice Bechtelar](#) doesn't like about Casa De Nena:

I got the carne asada tacos and was pretty disappointed. There was only one salsa option and there was so little meat in the tacos that you really were eating more tortilla than meat. Flavor was fine, nothing great. I would try something else just to see, but there are way more other places in Ogden I'd go for tacos. [read more](#). Get excited about the **diverse, delicious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), and you can look forward to the fine classic [seafood](#) cuisine.
