What [Clementina Garcia](#) likes about Sonic Drive-in: Fun and delicious! Came with the family to eat in the car on a gorgeous day out! From the person who took our order to the person who brought it out, they were super friendly! Very welcoming place. Food came out fast and tasted great. Orders were correct! The onion rings are so delicious! Shakes were thick! The kiddies loved the slushies! We had a fun dinner here and will be back! [read more](#). What [Sarah K](#) doesn't like about Sonic Drive-in: The last few times we've ordered, items are always missing. We drive about 25 minutes to this location, so it's really inconvenient to get home and notice we don't have everything. Although the food is usually delicious, the orders are just constantly incorrect, hence the 3 stars. [read more](#).
