What [User](#) likes about Katsuco: my friend and I went there and shared an original chicken katsu sando, it was amazing! we've never been there and wanted to try. it was very nice with some weint robbers and something we thought zimtsticks presented? in any case it is worth going and we come back! the man was also very beautiful and the device was amazing! definitiw very soothing. [read more](#). You can use the WiFi of the restaurant at no extra cost, And into the accessible spaces also come customers with wheelchairs or physiological limitations. What [User](#) doesn't like about Katsuco:

I was very disappointed by this place. for me it seemed like they skipped everything. that was dry and we even had to ask for cutlery. the only one on the table was a few serviettes and plastic forks. I asked about a little more broth and he brought a little bit of a little bit on the floor. it also took a long time to serve our food and there were no other mozens at the place. I couldn't imagine how long it would ta... [read more](#). An additional service offered by the restaurant is the **catering service** for customers, Besides the delicious sandwiches, small salads and other snacks also make a good snack. As a rule, most courses are prepared quickly for you and served, and **easily digestible Japanese meals** are being made with lots of fresh vegetables, fish and meat.
