Here you can find the [menu](#) of Hardee's in Norfolk. At the moment, there are **16** meals and drinks on the menu. Hardee's has garnered a range of reactions from patrons at its latest location. While the menu offers hot, tasty options like their breakfast platter and apple pies, inconsistencies plague the experience. Diners report stale buns, overly sauced burgers, and issues with the staff, including rudeness and a lack of attention to order accuracy. Long drive-thru lines frustrate customers, especially given the limited dining options. Despite some friendly service and quick order fulfillment, many are left disappointed, longing for the quality and flavor they once cherished. Overall, the charm of Hardee's is overshadowed by operational shortcomings.
