What User likes about Queen's Bakery: tried this place to lunch, as it was about 5-7mins away from where I live. the place is quite decent for him to be in the opposite. had the beef tongue that was our favorite, its disc super thin so its not chew at all once its boiled. the pork garlic was peppery garlicy. test the bark ropes finger, great darmbrise as well. the banchans are buffet style, love this, so we do not have to continue asking our server for m... [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations. What User doesn't like about Queen's Bakery:

Tried the strawberry shortcake with almonds. It was decent; Cake was a bit dry, but the strawberries and almonds were really good and the cake was not excessively sweet. The almond cookies were cruel; had a strange chemical taste. It's nice that I tried this place, but it's not Porto's in taste, price or quality. [read more](#). Queen's Bakery from Los Angeles pampers its customers with oven-warm breads and snacks, as well as various cold and hot beverages, The customers of the establishment also appreciate the comprehensive variety of differing **coffee and tea specialities** that the restaurant has to offer.
