The restaurant also offers the possibility to sit outside and have something in pleasant weather. What [Maggie C](#) doesn't like about

The Fairview Philly:

As many other people have mentioned here, this is a sandwich/burger junction. The food is fried and overpriced, the wine is cheap, and the music is dull and unpleasant. The Fairview Philly from [Philadelphia](#) is popular for its *delicious burgers*, to which crispy fries, salads and other sides are served, The guests of the establishment also appreciate the large selection of differing coffee and tea specialities that the restaurant has to offer. One also grills South American here with fresh seafood, meat, as well as corn and rice, and you can indulge in delicious American meals like [Burger](#) or [Barbecue](#).
