What [User](#) likes about Pizza Siena:

Pizza was good, we have an Italian sausage and mushroom traditional. Rust perfect, not too thick and not too thin. Good taste. Was surprised by the many options on the menu, including: pizzas, pastas, calzones, wings, appetizers, etc. Quality taste and reasonable prices. Missing a star because the staff could be more polite or friendly. Do yourself open, but you must go to the counter and order. [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities. What [User](#) doesn't like about

[Pizza](#) Siena:

usually a pretty good place to get käsesteak subs. the last two times were disappointing. I don't mind paying \$14 for a sandwich that has a flesh on it. It's okay to raise your prizes, we'll get it. but put some meat on the sub. I don't want to go vegan. [read more](#).
