I had two hairs in my food. we had dirty cuts and I took the first haare out of my food, but when I bite into my food and there was still a hair, I lost my appetit completely. when we let the server know, they grabbed the plate and went away while I still tried to explain what the problem was. they didn't even try to make it right. I would never recommend this place. [read more](#). It's certainly always an event to be in a typical saloon and to consume; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a delicious burger, Many visitors are particularly looking forward to the **diverse, delectable Mexican cuisine**. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, the menu also includes delicious vegetarian dishes.
