A really good Starbucks. Friendly. Efficient. Drive thru is great, though it can be very busy. Recommend ordering on the mobile app and then pickup inside. If you want to sit and work, there are plenty of tables and even an area with couches and soft chairs to relax, plus an outdoor area in the back for when weather allows. [read more](#). The

place also offers the possibility to sit outside and be served in pleasant weather, and there is complimentary WiFi. The rooms on site are accessible, and therefore no problem for visitors with wheelchairs or physiological limitations. What [Giselle D](#) doesn't like about Starbucks:

girl at the register seemed mad because they messed up my order?? and i asked to keep the messed up drink because it didn't have caffeine in it and my friend doesn't drink coffee and she got an even bigger attitude at me. they have messed up my order before and let me keep the drink so i thought that was the standard. i work fast food so i get it but girl don't be mad at me for your mistakes.
