The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, and there is free WiFi. What Kellie Tucker doesn't like about Friendly Seafood And Steaks:
It seems everytime we go they pick an choose who they wait on first an we have watched others get plates that look great, then we get something that looks like they just ran out of food. An the wait for your food is bad when you get one plate an the other doesn't come out till your ready to leave. Service: Dine in Meal type: Lunch read more.
