the veggie plate at konjo is a favorite! although it is a trip to the west, we regularly try to get out of there for this court. during the summer the same people operate Ethiopian food truck and they can find them everywhere in the city. I usually get the miserable (red lenses), kik (yellow lenses) and gomen with dinich (kartoffeln with spinat), but sometimes I double on the gomen with only yellow lenses. the injera... Don't like leaving low reviews and would prefer to give the opportunity to make it right but just can't drive that far again. Seems consistency is an issue or they're ok giving half cooked lentils to people they think won't know the wiser idk... They were VERY fast and spinach is decent though everything else is crunchy and sad. I would save your 50\$ as it is. Response to owner: do the yellow lentils in the attached p... [read more](#).
