1) Obviously, more training is needed . Swearing and very poor customer service.2) I was not given what I ordered due to the supply shortage of chicken . Out of Chicken and Strips, out of condiments .3) Husband ordered nuggets, and WOW, they were not even the size of a quarter; must have been out of them also.This was definitely the worst Popeyes we have ever been to . In beautiful weather you can even eat in the outdoor area. Bummie's Drive-in from Bluffton is known for its exquisite burgers, to which delicious fries, salads and other sides are offered, You can also discover delicious *South American* dishes on the menu. Many international dishes are also known in the kitchen of the Bummie's Drive-in, and you can try delicious American meals like **Burger or Barbecue**.
