The burgers taste a lot like 5 guys burgers without the 5 guys price. Have something called a pizza burger that is top notch and very generous size fries. This operation probably could be franchised because it's better than most out there. [read more](#). As a guest, you can use the WiFi of the place at no extra cost. What [User](#) doesn't like about Gross's Burgers:

I'm sorry, maybe a big burger stop, but in my old age the only place to sit was a big table chair! I still like to cuddly in a cuddly stand. I like to eat good, but the culinary experience is still a part of it! [read more](#).
