- amazing! this place is at least 50% vegan, I would say it is 90% vegan, because almost everything can be made on the menu vegan, the menu is also marked. eating is delicious! unique and creative. all made fresh to order. personal very friendly, cute cafe art atmosphere. When the weather conditions is nice you can also eat and drink outside, And into the accessible spaces also come clientele with wheelchairs or physical limitations. What [User](#) doesn't like about The Red Dot Kitchen:

This is a cute little spot. We did lunch but I would be really interested in trying their breakfast menu. They were out of sourdough bread which I saw had great reviews, so I got the BLAT on a wrap. I get a little disappointed when I see places using pre-made "mock meats" like Gardein. Unfortunately that was the case for this place. It does look like they do have some other options to avoid this though. The fries we... [read more](#).
