Friday nights at Pete's is some of the best bar food you can get. The special is a huge filet, shrimp scampi, huge bake potato, and side salad. I think it was around \$30 bucks. All cooked perfectly and and the flavors on all were so good. I don't think you can buy a raw steak in the store for that. TIP if you do come for dinner. Bring cash!!! No credit cards. The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and eat and drink. In Pete's Lounge in Alton, they prepare *tasty pizza* using a time-honored method, served straight out of the oven, and you can look forward to the fine typical seafood cuisine. At the bar, you can still relax after the meal (or during it) with an **alcoholic or non-alcoholic drink**, Furthermore, the drinks menu in this restaurant is impressive and offers a good and extensive selection of beers from the area and from worldwide, which are definitely worth a try.
