Stopped in for lunch because we had an hour to kill and it was just OK. I got the teriyaki chicken burrito and all the sauce was at the bottom so the burrito was bland at the top and overpowering at the bottom. The smoothie (blonde i believe it was called) had the right portions of apple juice, banana and strawberry, but was nothing special. [read more](#). At Purple Cactus Burrito Wrap from Boston you can **taste delicious vegetarian meals**, in which no animal meat or fish was used, They also present scrumptious South American dishes to you in the menu. Surely, it's also a nice experience to feel like in the Wild West once, to drink and sample like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice juicy burger, The meals are usually prepared *in a short time and fresh* for you.
