What [User](#) likes about Cronin Phelan's:

Excellent place for Great Food. I like crumb-tourists traps that create restaurant-books decors that are about what an Irish bar and restaurant should be. It's not one of those places. Very good food here and great prices for food quality provided. A great place to visit with friends or with a special someone. Good to visit your time. [read more](#). The place also offers the possibility to sit outside and have something in pleasant weather. What [User](#)

doesn't like about Cronin Phelan's:

I like coming here and the food is not bad. But the other day I had the Bangers and mash and it was the worst Bangers and mash I've ever had. Powdered potato mix baked beans out of a can and no gravy, the most important part. The sausages were ok. [read more](#). The restaurant also offers its visitors a catering service, Moreover, the menu of this *gastropub* offers a good and especially extensive assortment of beers from the region and the world that are definitely worth a try. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, here they serve a **appetizing brunch** in the morning.
