What [User](#) likes about Fat Cupcake: Absolutely love these cupcakes! We had cupcakes for our wedding in September and they were delicious. The bakery was great from the beginning when we got cupcakes to try out before we placed our order. For the day we had four different types of mini cupcakes and even got a few big ones. You could customize these with Sprinkles that went with our wedding theme. Can't wait until soon to stop to taste more flavors! [read more](#). What [Ashleigh Burnett](#) doesn't like about Fat Cupcake:

5/5 for flavor, 3/5 for service. My husband and I had FATcupcake create our wedding cake last March, which was beautiful and tasted amazing. However, at the time of purchase we were told that we could come back for our one year anniversary and they would gift us a small cake of the same flavors free of charge which we were really excited about. Fast forward to today, we called to do exactly that and we were told that... [read more](#).
