What [User](#) doesn't like about Fazzi's Restaurant Bar:

\$16.99 for a gyro plate and salad. There was nothing left on her gyro sandwich with fries that costs \$9.99. \$8.99 for 2 children chicken strips and a small handful of fries. Then add \$2.99 for a child to drink. \$11.98 for a little child's meal? No, thanks. Not what it is. Good luck for you all in the future. I just can't pay these prices for what I get. Too many options available these days. Fazzi's Restaurant Bar from [Collinsville](#) is famous for its *delicious burgers*, to which crispy fries, salads and other sides are provided, and you can expect original Italian cuisine with classics like [pizza](#) and pasta. It goes without saying that a suitable drink completes a meal; therefore this gastropub provides a sophisticated variety of delicious and regional alcoholic options, be it beer or wine, and the guests of the restaurant are thrilled with the Greek specialties.
