What [User](#) likes about Yamato: that is a small restaurant, but the human is eating well. the personal is creepy and I love her miso soup! They have the best Yaum-Yum sauce I've ever had, and the spicy thun fish is to die. I have to roll two each time I go in. we always get the hibachi court and it is so gooodddd! [read more](#). As a guest, you can use the WLAN of the restaurant at no extra cost. In the kitchen of Yamato in [Berea](#), traditional menus are prepared with typical Asian spices fine, Particularly fine are also the Maki and delicacies like Te-Maki from this establishment. The *Asian fusion cuisine* is also an important part of Yamato. Anyone who finds the everyday and generally known meals too boring should approach with a willingness to experiment and try some exciting combination of ingredients taste, and it's made with lots of freshly harvested vegetables, fish and meat, easily digestible Japanese meals prepared.
