What [User](#) likes about Osaka Hibachi Sushi:

macon met and we were looking for something new. my son had recently birthday, so we let him choose. that's the place he wanted. everyone easily found something he wanted to eat on the menu. the whole food was great! best yam sauce! that could just be the place we meet every time! if they are in the opposite, they give this place a try. I would highly recommend this place! [read more](#). What [User](#) doesn't like about Osaka Hibachi [Sushi](#):

We ordered 3 rolls and got 1 small amount of Wasabi. Ordered extra Yum Yum and didn't get that. Order from there a lot and the more we order the less we seem to get of what we ordered. Also, get one set of chop sticks... for three rolls. [read more](#). In the Osaka Hibachi Sushi from Macon, a lot of freshly harvested vegetables, fish, and meat are used to prepare healthy, fine Japanese menus, Besides, the successful blend of different menus with new and partially adventurous ingredients is appreciated by the customers - a good case of Asian Fusion.

After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, Particularly tasty are also the **Maki** and delicacies like **Sashimi** from this restaurant.
