A bit of a confusing setup when you go in, but you figure it out pretty quickly. We went for the mushroom [pizza](#), which was surprisingly excellent. The shrooms were sauteed first, which makes all the difference. Service was a bit slow as they were understaffed, something that's unfortunately common in food service these days. [read more](#).

You can use the WLAN of the restaurant free of charge, Depending on the weather conditions, you can also sit outside and eat and drink. What [1David R \(1 2 months ago on Google\)](#) doesn't like about Brio's Pizzeria:

Got the shrimp scampi and it came with red sauce. No joke. It made the ghosts of my ancestors cry. I mean, it was fine, it just wasn't shrimp scampi at all and there was nothing on the description of the dish that suggested they were about to go that rogue with the preparation. They also didn't give me my side salad. Accidents happen in food service, nbd. I will say if the red sauce situation is the standard and not... [read more](#). Get excited about

the **diverse, scrumptious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), here they serve a appetizing brunch in the morning. You can just get one of the scrumptious sandwiches, a healthy salad or another snack, if you're not that hungry, and you can look forward to authentic Italian cuisine with classics like [pizza](#) and pasta.
