What [User](#) likes about The Launch:

Discovered this place a few weeks ago when some friends visited New Hampshire. The food was AMAZING! Definitely reserve as this place is very busy! Come here and you? Beautiful view, great food and super service.

The best part is, it's only 15 minutes away from my house! This has become me and my Hubbies fav brunch spot?. Try the croissant French toast and the French toast coffee cake, you won't be disappointed! [read more](#).

The place also offers the possibility to sit outside and have something in nice weather, and there is free WiFi.

The rooms on site are accessible, and therefore no problem for guests with wheelchairs or physiological limitations. What [User](#) doesn't like about The Launch:
