What [Mandar](#) likes about The Burger Bistro:

The burgers were really good! I had ordered the regular beef, well done, with potato buns and it was lovely. The staff were polite and friendly. In beautiful weather you can even be served in the outdoor area. If you're desiring some **spicy South American gastronomy**, you're in the right place: exquisite menus, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu. Naturally, you can't miss out on the scrumptious burgers, which are accompanied by sides like fries, salads, or wedges served. Moreover, there are scrumptious American dishes, such as **burgers and grilled meat**, and you can look forward to typical scrumptious French cuisine.
