1st time at this location, and we will be back. Kids had a great time. And I have to say I even got a moment of piece and quiet, even with them hopping from one game to another. You can use the WLAN of the restaurant free of charge, And into the accessible rooms also come guests with wheelchairs or physiological limitations.

What [Courtney J](#) doesn't like about Chuck E. Cheese:

They seemed to be short staff. We stood in line to order our food and get play pass for 25 min. The machines for play pass cards were not working. Our [pizza](#) was perfectly cooked. [read more](#). In case you're craving some **seasoned South American cuisine**, you're in the right place: delicious meals, prepared with fish, seafood, and meat, but also corn, beans, and potatoes are on the menu, Don't miss the chance to eat the crispy and crunchy [pizza](#), prepared straight out from the oven in an original way. You can also relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, and you can enjoy here fine American menus like *Burger or Barbecue*.
