2nd visit totally changed my mind on this place. The first time must have been an off day for them. This time, the service was excellent despite it being busy. Our server was very kind in answering all my questions and giving me more time to order. The food was great, way better than the last time and totally worth the price! The atmosphere was a bit hectic and cramped since it was busy, but still very inviting. Glad I gave this place another chance and had an amazing time!. With the comprehensive selection of *coffee and tea specialties*, a visit to Snooze, An A.m. Eatery becomes even more attractive, for breakfast they serve a **tasty breakfast** here. Without doubt, the right drink enhances every meal; with this thought in mind, this gastropub offers a wide diversity of delicious and regional alcoholic beverages like beer or wine, It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
