we decided to eat here since I had eaten an salad! we immediately noticed that they were only short workers, but they never let us feel that way. I'm not sure, but I think the name of our server was julius, he was very attentive. the lady who showed us on our table was very nice, and she took our drink order. and I think the other lady was the manager she still made round when someone needed something. We ordered 2 bowls of soup and got 2 cups of soup,we were charged for bowls,my food was cold and not cooked to order. I spoke to the manager and was given the number for the district manager. I called a couple of times but they never returned my call. I will never eat here again. This isn't the 1st time I've had problems with this location. [read more](#). Look forward to the diverse, fine [Mexican](#) cuisine, traditionally prepared with corn, beans and chilies (hot peppers), and you can try scrumptious American menus like *Burger or Barbecue*. Of course, we must not forget the large diversity of coffee and tea specialties in this restaurant, Here, the [barbecued food](#) is freshly **cooked** on an open flame.
