we eat at grimaldis frequently. service and eating are usually very good. not so much today. we like a nice little car on the pizza, but that's ridiculous. both cakes were sloppy and burned to a crack. I don't know how the cook or our waitress could leave this out of the kitchen. she even said that this is the third one today. the manager took 1/2 the food from the bill, should have given me a free meal.
