Large updated Taco Bell location with the old standards such as soft and hard shells tacos and beans as well. Love the new Dorito Shell Tacos, Gorditas, Chalupas, [Mexican](#) Pizzas, Burritos and much more. They also have a disabled-friendly restroom, seating and parking spaces. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is complimentary WLAN. What

[jordan merwin](#) doesn't like about Taco Bell:

This review has nothing to do with service or food. This 1 star is because the men's restroom soap dispenser has been broken with no soap for a few weeks now. Following common sense, that means that any male employee that uses the restroom at work is unable to properly wash their hands before going back to work. That is disgusting. I will consider eating here again once the soap dispenser is fixed. [read more](#). The comprehensive variety of *coffee and tea specialties* makes a visit to Taco Bell even more worthwhile, The dishes are usually prepared for you **fast and fresh**. The visitors also appreciate the *versatile, scrumptious Mexican* cuisine, whose traditional dishes are prepared with corn, beans and spicy chilies.
