What [User](#) likes about Masaru's: I tried this restaurant for the first time during a weekday dinner. Although the line was out of the door, I had my food in less than 10 minutes. It was delicious! [read more](#). What [User](#) doesn't like about Masaru's: Quality of food is not great, but ok. Service is top notch, very friendly. But with the food, You get what you pay for unfortunately. (Might I add that there was nothing wrong with the food. It was just.. ok) only a few sushi rolls to choose from, and sushi was more rice than meat. The rice bowls were small in my opinion, but again, for how cheap they were I think the proportion was right for the price. [read more](#). At Masaru's from Visalia, *scrumptious sushi* (e.g., *Maki and Te-Maki*) is prepared for you, along with numerous additional variations, always fresh with ingredients like fish, vegetables and meat, Here, the **meat** is freshly prepared on an open flame. Masaru's focuses on a lot of fresh vegetables, fish and meat in its healthy Japanese cuisine, Likewise, the guests of the restaurant prefer the comprehensive selection of differing coffee and tea specialities that the restaurant provides.
