Holy pepperoni! Wow was the pizza mommy! We were found in the city for a Doc-Apt and Hubs about a Google search and we gave an attempt. We've ever made a mod [pizza](#) and I was worried we're late, but it was super fast! Tell them what you want on your pizza and they will do it before you in the wood stove. The pizza was ready before I filled my drink! I have a mixture of traditional sauce and spicy..it was amazing, but... [read more](#). What

[User](#) doesn't like about Mod Pizza:

While the food tastes good there are several drawbacks. Cross contamination is very bad so picky eaters or those with allergies beware. No offer of a clean cut, just kept using the same pizza cutter from previous orders. The music is piped in so loudly that placing an order is very difficult. Payment seems to be on the honor system as they were in such a hurry to cash me out that they missed 2/3 of our order and had... [read more](#). If you're desiring some zesty *South American cuisine*, you've come to the right place: delicious meals, cooked with fish, seafood, and meat, though **corn, beans, and potatoes** are also in the menu, tasty [vegetarian](#) meals are also in the menu available. Of course, there's also delicious pizza, baked fresh according to traditional recipes, Generally, the meals are prepared **fast and fresh** for you.
