Beautiful ambiance and great location, right on the water. Our waiter was one of the nicest guys. He was knowledgeable and attentive. Even berry mojito was delicious. Disappointing from a steakhouse and not at all worth the price. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good diversity of **good beers and other alcoholic beverages** that go well with the food, and you can look forward to the fine traditional [seafood](#) cuisine. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink.
