My wife and I love this place. The sushi rolls are always produced on the same high standard each time. The owners are very friendly and work very hard to make every customer happy. I recommend you try this hidden gem in Scotia NY. read more. The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is free WLAN. What Terrance Townsend doesn't like about Oishi Asian Cuisine:

Food is always good but noticed tonight they are charging a 1.00 convenience fee to every order with no real explanation so tired of business adding in so called convenience fees never will order again read more. For guests of the establishment, the *catering service* is also available, and a lot of freshly harvested vegetables, fish and meat are used to prepare easily digestible Japanese dishes. Undoubtedly, the highlight of this place is the fine Sushi such as Nigiri and Inside-Out, on the menu there are also a lot of Asian meals.
