You can use the WiFi of the restaurant at no extra cost, Depending on the weather, you can also sit outside and be served. The rooms on site are accessible, and therefore no problem for clientele with wheelchairs or physical limitations.

A visit to McDonald's is particularly valuable due to the extensive diversity of coffee and tea specialties, Of course, you also have to try the scrumptious burgers, that come with sides like fries, salads, or wedges served. In case you want to have breakfast, a hearty brunch is offered to you, Besides the delicious **sandwiches**, healthy salads and other snacks also make a good snack.
