What [User](#) likes about Marble Slab Creamery:

A really nice homemade ice rink! They have tons of different flavors to choose, as well as so many different mix-ins. The ice cream tasted so delicious and fresh and was gone in minutes. Your chocolate cake taste and the marshmallow is our house favorite! They also have really cute cones to eat, like chocolate dipped, dipped with sprinkles etc. The people who work there are always polite and very friendly! [read more](#). What [COB](#) doesn't like
