25 Jul 2022: Alone dinner. Black bean burger fries, and pomegranate Margarita \$25 in total). The black bean patty was interesting, the Patty seemed with different black beans, I liked the taste. Friends were good. Margarita was mediocre, a little too mad. Nice place overall, friendly staff. Overall recommendation: yes, but too expensive end. During meals, a refreshing drink is essential. In this gastropub, you will find not only flavorful menus, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, and you can enjoy here scrumptious American meals like **Burger or Barbecue**. Here they also grill **South American** fresh [seafood](#), meat, as well as beans and rice, You can take a break at the bar with a [cool beer](#) or other alcoholic and non-alcoholic drinks.
