We were out and out and decided to skip Orchid Thai this time and try the Sushi Place nearby. We were not disappointed with a new attempt. Price: I would say this is medium price [sushi](#). Not \$7 reels, but not \$20 or more reels. I felt like the shares we received were fair for the price. What we ordered and liked: Oceans 12 roll Super California roll California roll Shogun Gyoza [read more](#). Zakuro from Lincoln is a suitable bar to *have a beer after work*, and hang out with friends, on the menu there are also a lot of Asian menus. But the undisputed highlight of this restaurant is the delightful [Sushi](#) such as *Nigiri* and *Inside-Out*, and a lot of fresh vegetables, fish and meat are used to prepare easily digestible Japanese menus.
